

SCDGC Board Meeting
May 28, 2011
Starbucks – Simi Valley

All board members present

Time of meeting 9:12am

The board discussed on the handicapped situation for the golfers and the board agreed to wait until our last golf tournament in November since our Handicapped Plan with SCGA was already established at the beginning of our golf season in January 2011. There are some concerns on the use of handicapped situation for some golfers so we will bring this to everyone's attention in November.

Judy will investigate on the cash and gift card prizes according to SCGA regulations then report our next board meeting.

Board came up with the idea setting up the guidelines on how to post SCGA scores through the use of video for SCDGC members. Judy and Jim will work on this area.

Meeting adjourned at 9:53am.

Respectfully submitted by Doug Ellis
SCDGC Secretary/Treasurer
