

Dear SCDGC Members and Guests:

During our 2017 SCDGC tournaments have been successful year. You can visit our website and explore activities that have occurred during the past year.

SCDGC board has approved a new membership rate of \$61.00, which also includes SGCA membership, \$15.00 Roger Dunn gift card and index card for 2018. Tournament rates are lower for the members while guest pay \$10 more per tournament. A percentage of cash prize funds are reserved for the Club Championship (November). Guest are only eligible to win prizes at monthly golf tournaments, i.e., they are not eligible for seasonal Cup points or Championship prizes.

Your Board of Directors has been working hard to bring you a positive golf experience filled with a large selection of quality, fair and competitive events and we will continue to do so for the upcoming year. Tournament are held on either the third or fourth Saturday of each month, except August (FWGAD Break) and December (holiday break). Our handicap chair maintains records of all SCDGC members and their handicap stroke are adjusted to level the playing field for all members.

SCDGC offers meetings occasionally and after our golf tournaments if needed. Members interested in meeting proceedings are encouraged to attend, speak with board member(s), and/or contact through emails, VP, and so forth.

On tournament days, do show up a little early so that the process of collecting money and getting the groups on the course will run more smoothly. Tee time information, cost and other details are available on the web site.

Happy Golfing!
